Draped

All four sides of the Table Cover will skim the floor. The corners are rounded allowing the Table Cover to professionally drape. This is our most requested style.

BACK

Three Sided Draped

The front & two short sides of the Table Cover will skim the floor. The back side is open allowing chairs to slide under the table without interfering with the Table Cover.

Fitted

The most professional finished look with its straight, seamed corners. This cover will fit snug to all four sides of the table. The corners will not gather allowing your branding to be seen easily.
