

Assembly Instructions Promotional Backpack Flag

- Backpack
- Pole Set (Poles 1-4)
- Printed Flag

Instructions: Teardrop / Blade

1. Stick the pole segments together (assemble in correct order)
2. To attach the flag to the pole, slide the flag down the pole (1) Note: Slide the top of the pole completely into the strengthened end of the sleeve.
3. Attach the bottom of the sleeve to the hook-and-loop tape on the pole end (4).
4. Insert the pole with its end (4) into the centered upper mount on the front side of the backpack until snug (pole may be turned slightly).
5. Put on your backpack and close the waist belt.

Instructions: Rectangle

1. Stick pole segments 3 and 4 together and slide them through the vertical pole sleeve of the flag. Open the screw on the top of pole segment 3.
2. Slide pole segment 2 with its small side through the loop of pole segment 3 and the upper sleeve of the flag. Tighten the screw.
3. Fix the bottom of the left sleeve to the hook-and-loop tape on the pole end (4).
4. Insert the end of the pole (4) into the centered upper mount on the front side of the backpack until snug (pole may be turned slightly).
5. Put on your backpack and close the waist belt.
